Announcements (cont'd)

CHIP 20th Anniversary—September 7th—2-5pm & 7-9pm, Kelowna

It all began 20 years ago in British Columbia, Canada, when Dr. Hans Diehl conducted his first CHIP program in Creston. Today this community-oriented health improvement project has become a world-class lifestyle intervention program, with clinical results published in numerous leading medical journals. Through simple lifestyle changes, CHIP lowers high blood pressure, cholesterol and diabetic sugar levels, facilitates heart disease reversal, and shows people how to eat more, and still lose weight. A total of 50,000 graduates, all over the world, have proven the CHIP mantra— "Take Charge of Your Health!" Be "Healthy by Choice—Not Chance!" A special call goes out to all our members, and especially those involved with CHIP past or present. Come—hear the clinical evidence. Come—celebrate CHIP's 20th Anniversary in the Kelowna Community Theatre, 1375 Water Street.

Today, we have the pleasure of witnessing the dedication of Baby Ezra, son of Vayas and Nisha Bagha. He was welcomed into this world on June 25th.
