### **Growing Pains**

With the addition of grades 11 and 12 at Deer Lake School, many things have changed, including physical structure. The school board has been very busy trying to meet growing needs. To accommodate additional drop-off traffic, as well as surplus parking space for student drivers, DLS has created a walkway leading to Gilpin Street where people can park along the northside of the school. Other plans for the coming school year include a new computer lab and shot clocks for basketball. Should you wish to contribute financially to these exciting changes, donations would be gladly accepted!
