## Marlon and Doreen Cliffe

Marlon and Doreen Cliffe have been married for over 35 years and have two beautiful grown children. Their passion is to help build and restore relationships using evidence-based research, the Bible, and their own personal experiences to share how you can have the marriage of your dreams! Their enthusiasm for restoring relationships comes from their own story of a failing marriage. They know the frustration of a lonely, disconnected marriage with the feeling of hopelessness. The good news is that they have also experienced restoration and happiness in their marriage, and they love showing how you can experience it too!

Marlon and Doreen Cliffe are Certified Gottman Educators for the Seven Principles for Making Marriage Work, Certified Prepare/Enrich Facilitators, Caring for the Heart Ministries Lay Counsellors, and Marriage Wellness Coaches.

## Mike and René Lemon

Mike and René Lemon are the hosts for It Is Written Canada, a worldwide media ministry that spotlights stories of lives transformed by the power of God. They are both 100% organic, non-GMO, sweet and sour lemons. René is the sweet one.

Mike and René have been married since 1995 and have counselled married couples and those preparing for marriage while serving in ministry and education positions in Canada and South Africa. They are passionate about faith, family, friends, fitness, and finishing the work of preparing souls for our Lord's soon return, to "turn the hearts of the fathers to their children, and the hearts of the children to their fathers" (Malachi 4:6). They have two wonderful daughters and two magnificent grandsons.
