Local Church Budget

Perhaps the most obvious need addressed in the

My Personal Giving Plan is the LOCAL CHURCH

Like every family, the local church family has financial obligations to meet. Some are easy to see (like power and heat), but many are not as obvious:

- *children's magazines*
- *Sabbath School Bible study guides*
- *teaching supplies*
- *cleaning services*
- *church school operating expenses*
- *property insurance*
- *worthy student fund*
- *community outreach etc.*

These are but a few of the costs that must be met month after month as the local church seeks to be a light in the community!

Because these expenses are constant, My Personal Giving Plan recommends that 3 to 5 percent of one's income be set aside for the local church budget.

This systematic giving ensures that all share both in the blessings and the responsibilities of the local congregation

*"And I will make them and the places round about My hill
a blessing, and I will cause the shower to come down in
his season; there shall be showers of blessing."
Ezekiel 34:26*
